JOIN HMS FOR...

- Shared intellectual curiosity about medical matters and related social/historical issues.
- Common educational backgrounds that promote professional dialogue.
- Preservation of our medical history and access to our 7,000 volume historical library.
- Lectures that bring medical knowledge to life in congenial and social settings.
- Events with topics that appeal to a wider audience.

Membership for physicians in clinical practice, in research/teaching, in training, and others that have an interest in things medical is \$100 per year, a nominal fee that makes it possible for the Society to bring you many opportunities to keep in touch with colleagues, develop new relationships with peers, and explore a variety of interesting current and controversial topics.
